TUESDAY, March 50-P.M. The Stock market at the First Board was not active to-day, and without marked change, exsepting in Reading, which fell off + P cent., and which advanced | P cent. This latter Stock was very buoyant, with good demand. Reading was beavy under various rumors of action by the Legisature and State Authorities of Pennsylvania. Norwich was steady. At the Second Board, Nicaragua took a downward turn, and sold at 48t, being afterffered still lower. After the Board, however overed some what, and closed at about 47, showog a decline of 2 P cent. New-Jersey Zinc is firm, P cent fon the last sale. Bank Stocks are in demand, and steady. Generally, the sound Stocks are firm.

In Exchange the market is quiet and heavy. Sterling, 9@91; Francs, 5 22; @5 181. Feights are without much activity, and

there is more space offering. Engagements of 1,500 bales Cotton at id. compressed. Flour 1s. 9d. 10,000 bush. Grain at \$id, ship to bag it. 500 Handspikes at 1id. Deadweight 17s. 6d.@20s. To London 1,500 bbls. Flour. at 1s. 9d.@2s. To the North of Europe: Cotton, tate. To Havre: Cotton, fc. s, Bark, &c . \$6@\$8. To California the bustess is moderate at previous rates. The Sonora Gold Mining Company have

lled up a large portion of their stock, and need but bout \$20,000 further subscriptions to enable them to start their machinery. This company possesses a very valuable gold vein in Sonora, which has been thorage of quartz veins. The gentlemen who are con sted with the enterprise are many of them prac. tically familiar with California gold mining, having ade inquiries and find the managers of this enter-rise to be highly respectable and reliable parties. hich has been fully tested in California, and , or over \$5,000 P day. A very large allowance may be made upon this sum and yet enough be left to make immense dividends upon the capital stock, which is \$200,000. The office of the company is at No. 66 Beaver-st.

The amount received at the Sub-Treasary is \$106,984. Paid, \$21,650. Balance, \$2,776,840-The National Bank has made a semi-auanal dividend of 5 2 cent.

The bids for the \$250,000 Bonds of the ellefontaine and Indiana Railroad Company offered reale by Messre. Winslow, Lanier & Co., were duly opened at their office yesterday, according to 65-100 P cent., of which only 100 were below 90 P ent. The number of Bonds bid fer in proportion to the number offered for competition is larger than on any previous similar occasion. Considerably more than one-half of the successful bids were for foreign sount. We subjoin the names of the successful bidders, with the number of Bonds obtained and the

The Erie Railroad Company are now receiving large amounts of freight for Dunkirk, and with their facilities, this is one of the most expefitions routes to the West. The business of the month will probably reach \$250,000. The Luke is now open, and regular steamboat lines to Cleveland, Sandusky, Toledo and Detroit, are in full operation. The treffic of April will show a large increase.

A new Marine Insurance Company, under the name of "The Atlas Mutual Insurance Company," has been organized, and will at once go into operation. At a meeting, held this day, Messrs. N. H. Oegood was elected President; E. Russell Hinchley, Vice-President, and George H. Tracy-Secretary. This Company, although they have fire privileges, will confine memselves exclusively to Marine risks.

The following is a statement of the movement in Cotton since the 1st of September fast, as red with the previous three years

The Report states that the profits of the Company during the past year have been \$459,281 40, equal to 6! P cent. on the capital stock. During that time shere have been brought to tide-water 472,692 tune of

the Company's coal, and 315,803 tuns for the Penn' .vanta Cost Company. But a very small amount of east will be left unsold on the reopening of the Capal. The Managers attribute the unsuccessful business of the last year to the competition between the great Schuyikill Companies, which forced the Delaware and Hudson to reduce its prices, and they caution the stockholders against an under estimate of the value of the property, based upon the returns of the year just closed. They anticipate a much more favorable business this year. The following

rass the Reading Railroad Co. and depress its stock by obtaining Legislative interference. A bill has usen introduced to the following effect :

Section 1. Be it enacted by the Senate and House of Representatives in General Assembly met, that so much of a further supplement to an act entitled an act to authorize the Governor to incorporate the Philadelphia and Reading Railroad Company, approved the 2d day of February, 1850, be and the same is hereby repealed.

first paid all debie due by said Company up to January 1, 1852.

Sac 3. That it may be lawful for all the creditors of the said Philadelphia and Reading Radiroad Company to proceed and collect all claims and debta against said Company under the now existing laws of this Commonwealth, any law heretofore passed to the contrary notwithstanding.

There is also a statement aftout the Treasurer of he State intends to demand of the Company State taxes upon its Bonds for the last five years, amount-

ing in the aggregate to about \$150,060. All these movements had a depressing effect upon the Stock to-day. A new steamboat line is about to be established between Philadelphia and Boston.
